The Advance Latest Addition to Journalistic Field.

Special to The Tribune.

OGDEN, March 14.—The second annual state convention of the associated boys clubs of Ulah will be opened here to-morrow evening. In addition to about one hundred delegates from different parts of the state, there will be about a score of visitors from Idaho and a few from Wyoming. The delegates will arrive early tomorrow, and will be ment by a reception committee composed of members of the boys' clubs of Ogden. They will register at the high school at 4 o'clock in the afternoon, and the first session will be held there in the evening. This will be a public session, and all parents as well as the children are invited to attend. The programme at the first session will consist of an exhibition of the city commission. In which some person, styling himself "Joon T. Bishop" preferred charges of llour law violation, the Advance favors an honest and thorough investigation by the city commissioner, taking the stand that it matters not who "John T. Bishop" may be.

Stuart's Dyspepsia Tablets Restore Lifeless Organs to Normal Condition.

A Trial Package Free

Many a sufferer from Dyspepsia, Indigestion and kindred ailments of the digestive organs carries around an absolutely useless stomach—a dead load, and a cesspool for ever-increasing disorders. The muscles are seemingly worn out, the mucous lining has lost

its secretive power, and food taken into the stomach lies there and ferments, causing sour cructations, belchings, heartburn dizziness and other distressing conditions. Many sufferers have given up in despair until they have been induced by some interested friend to try a box of Stuart's Dyspepsia Tablets.

Stuart's Dyspepsia Tablets are the dyspeptic's hope. They are a natural restorative of healthy action to the stomach and small intestines, because they supply the elements that the weak

that your digestive organs are losing power—they need help and there is no more sensible help to be given them than to supply elements which will do the work of digestion for them.

Stuart's Dyspepsia Tablets have been found by test to have digestive powers, one grain of the active principle of these tablets being sufficient to digest 3000 grains of ordinary food. It is plain that no matter what the condition of your stomach, or how far your disease has progressed, one of Stuart's Dyspepsia Tablets taken at meal time will do the work—give your stomach an opportunity to regain its lost powers, the muscles will be afrengthened the glands invigorated, and you will be a new man.

It ears nothing to prove the effective of the commission on condition that all proceeds shall go into the treasury.

Bad blood is responsible for most of our ailments, and when from any cause it becomes infected with impurities, humors or poisons, trouble in some form is sure to follow. Muddy, sallow complexions, cruptions, pimples, etc., show that the blood is infected with unhealthy humors which have changed it from a pure, fresh stream to a sour, acrid fluid, which forces out its impurities through the pores and glands of the skin. A very common evidence of bad blood is sores and ulcers, which break out on the fiesh, often from a very insignificant bruise, or even scratch or abrasion. If the blood was healthy the place would heal at once; but being infected with impurities which are discharged into the wound, irritation and inflammation are set up, the fibres and tissues are broken, and the sore continues until the blood is purified of the cause. S. S. S. is Nature's blood-purifier and tonic, made entirely from roots, herbs and barks. It goes down into the circulation and removes every particle of impurity, humor or poison, restores lost vitality, and steadily tones up the entire system. S.S.S. neutralizes any excess of acid in the blood, making it pure, fresh and healthy, and permanently cures Eczema, Acne, Tetter, Salt Rheum, Bolls, and all other skin eruption or disease. Book on the blood and any medical advice free.
